

Meet Autumn the Mouse

Autumn the mouse is the tiniest member of the gang, but she has the biggest heart. Cute, friendly and endlessly curious, she scurries happily beside Dord and Willum on every grand adventure, never missing a moment of fun. Whether they're exploring the garden, meeting musical bugs or tumbling into another unexpected escapade, Autumn is always right there with them — brave, loyal and ready for anything. Loved dearly by the children, she brings a sprinkle of magic and a whole lot of squeaky charm to every Bob & Julie story.
